Rhyming Gingerbread

Concentration Game

Objectives:

- The students will recognize and create rhyming words.

To Play the Game:

- Spread the cards out face-down into 4 rows of 6.
- Players take turns turning over 2 cards. They say the pictures on the gingerbread cookies.
- If the pictures rhyme, the player gets to keep the pair.
- If the pictures don't rhyme, the player returns the cards to the face-down position and the next player takes a turn.
- Continue playing until all of the rhyming pairs have been found.

Rhyming Gingerbread

File Folder Game

Objectives:

- The students will recognize and create rhyming words.

To Play the Game:

- Print the cards on cardstock. Glue one of each rhyme to the inside of a manila file folder.
- Laminate and cut apart the other rhymes.
- Students match the rhyming piece to the correct space on the file folder.
