

# Astronaut School

## Dramatic Play Center

### Preparation:

Learn what it takes to be an astronaut at astronaut school. Gather bulky coats, pants, boots, and gloves to use as spacesuits. Hang planets around the room for the students to discover with paper towel telescopes and place a mat on the floor for strength training exercises.

### Props:

- puffy jackets
- puffy pants (snow pants)
- boots
- gloves
- clip boards
- calculator
- display screen
- old computer keyboard
- cardboard box or large brown paper bag (helmet)
- 2 liter bottles (jet pack)
- telescope (when possible)
