Counting Practice

File Folder Games

Activity
overview

Objectives:

- The students will identify numbers.
- The students will count sets up to 15.

Preparation:

- Print each page.
- Attach the cover the front of a file folder.
- Attach the work mats to the inside of the file folder.
- Laminate and cut the game pieces and place in a baggie attached to the back of the folder.

Procedure: Students place the game pieces on the work mat next to the corresponding picture.

Terms of Use:

Play to Learn resources are for personal classroom and home use only. They may not be used commercially.

YES:

- You may use this resource at home with your own children or in your classroom with your own students.
- You may print copies for your own children or students.
- You may send printed copies home with your students.
- You may use these lessons yourself to provide virtual teaching videos for your own students who might be learning at home.

NO:

- You may NOT post this file to any file sharing website. (DropBox, Google Drive, Facebook, Amazon, SeeSaw, etc.)
- You may NOT resell these resources.
- You may NOT send these PDFs via email for students to print at home.
- You may NOT share these PDFs with colleagues via email or otherwise.
- You may not claim these resources or ideas as your own.
- You may NOT use these resources to teach lessons that you **sell** online. (Teaching your own students – great. Selling these lessons, even if you do them yourself, online – not permitted.) This includes OutSchool and similar platforms.
