

Rhyming Concentration

To Prepare the Game:

- Print the cards.
- Back the cards onto colored cardstock or printed scrapbook paper.
- Laminate and cut apart.

To Play the Game:

- Spread the cards out face-down into 4 rows of 6.
- Players take turns turning over 2 cards. They say the pictures on the cupcakes.
- If the pictures rhyme, the player gets to keep the pair.
- If the pictures don't rhyme, the player returns the cards to the face-down position and the next player takes a turn.
- Continue playing until all of the rhyming pairs have been found.
