Transportation Counters #4

Counting

Meaningful play with one-to-one correspondence is an important part of early mathematic development.

Learning Objectives:

- The students will recognize numbe…
- The students will demonstrate one-to-one correspondence.

Clear Learning Objectives

Recommended Supplies:

- Transportation counters
- If the counters are not available, cut apart the included transportation cards.
- Counting mats
- Bowl for the counters

Step-by-step directions

Procedure:

1. Print and laminate the mats.
2. Assemble the spinners as shown in the directions on the following page.
3. The students will spin the spinner and place the appropriate number of vehicles on the corresponding mat.
