Testimonials

My goal for this year was to make my dramatic play a place kids wanted to play. So far I have used three different sets and they have loved them! I also love how perfectly they match with Melissa and Doug sets.

-Hadleigh C.

Amazing! Thank you for including all the parts to make this resource useful for the teacher and fun for my Kinder Littles.

-Lucy L.

I Love the Betsy Books! I am not a teacher but I am a mother of 2. I got the bundle to use at our homeschool - playroom. I have some other dramatic play sets from other sellers but I needed one special set and I got it. Betsy Book made it so easy to start the play that I bought the whole bundle! Thank you very much!
