Hickory Dickory Dock

Nursery Rhyme

A nursery rhyme is a traditional rhyming poem or song. Teaching nursery rhymes helps children to develop auditory skills and helps with speech development.

Objective: Students will develop listening and speaking skills by reciting a poem.

Activities:

1. Read the poem to the students and invite the children to join you in reading it again.
2. Cut out a mouse for each student and attach a popsicle stick to make a mouse stick puppet.
3. Have the students act it out:
 - Swing your arms like the pendulum of a clock.
 - Make the mouse stick puppet run up the clock.
 - Students clap their hands to match the time on the clock.
 - Make the mouse run down again.
