Jack and Jill

Nursery Rhyme

Day 1
lesson
plans

A nursery rhyme is a traditional rhyming poem or song. Teaching nursery rhymes helps children to develop auditory skills and helps with speech development.

Objective:
Students will develop listening and speaking skills by reciting a poem.

Activities:

1. Read the poem to the students and invite the children to join you in reading it again.
2. Act it out by pretending to walk up a hill, get a pail, then tumble down.
3. Print and laminate the smaller pail pictures. Make them into a pile. Invite students to draw a pail picture and replace "water" in the poem.

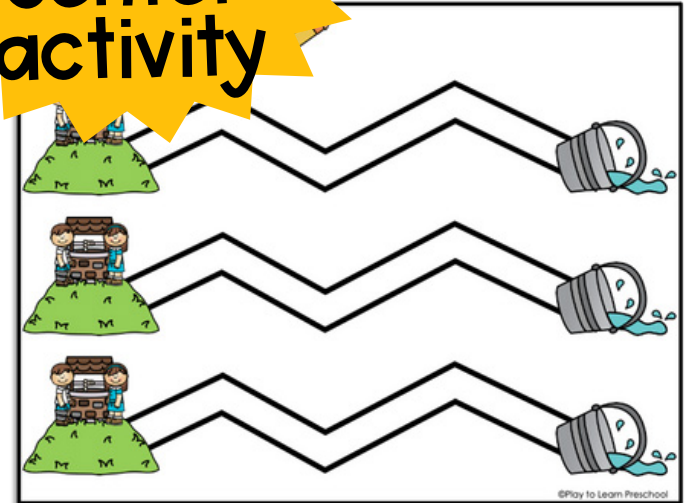

Jack and Jill went up the hill
To fetch a pail of water.
Jack fell down
And broke his crown,
And Jill came tumbling after.

Jack and Jill

We all know the story of Jack and Jill.
They walked up to the top of the hill.
Down fell the pail with a bang and a crash.
Out fell a drop with a splash and a splash.

(Count water drops down from 5-0)

"Now the pail is empty," said Jack and Jill.
So they marched back up to the top of the hill.
