Dear Parents,

We are starting something new in class this week! Students can check out books from our very own play library. Please help your child follow these 3 rules:

1. Only check out books that have a special library pocket in them.
2. Only take home 1 book at a time.
3. Return your library book on the next school day.

We are all so excited to be librarians, storytellers, and readers at this new center. Thank you for your help!

Betsy Visits the

PUBLIC LIBRARY

Library

Betsy goes into the library.
She wants to find a good book to read.
She checks the computer to find out which shelf it is on.

Betsy sees a librarian helping some children read their books.

Betsy hops over to where her book is.
She finds it on the shelf.

Betsy sits down at a table and starts to read.

Then the librarian announces that it is story time.
Betsy loves story time!
She goes over to the group and joins in.

When story time is over, Betsy gets ready to leave.
She takes her books to the check out counter.

She gets out her library card and hands it to the librarian.
The librarian checks out her books in the computer.

On the way out, Betsy sees the book return slots.
She will remember to bring her books back to the library on time.
