

Classroom Tested

My students love these resources. As a first-year teacher, I printed, laminated, and velcro'd this and will **use it forever.**

The amount of information and lesson I was able to teach from this was **so helpful!**

-Kathleen J.

Teacher Recommended

I think the "Betsy"
books really **set**
these packs apart
from the rest!

The book is a great
way to introduce the
center and get kids
excited to use the
resources available
in a meaningful way.

-Robin C.

Or maybe Betsy would be able to give the baby a bottle.

Student Approved

My students **loved**
this resource!

It made our dramatic
play center more
intentional and they
enjoyed doing the
different "Tasks" with
their babies. They
also enjoyed trying to
write many of the
family words.

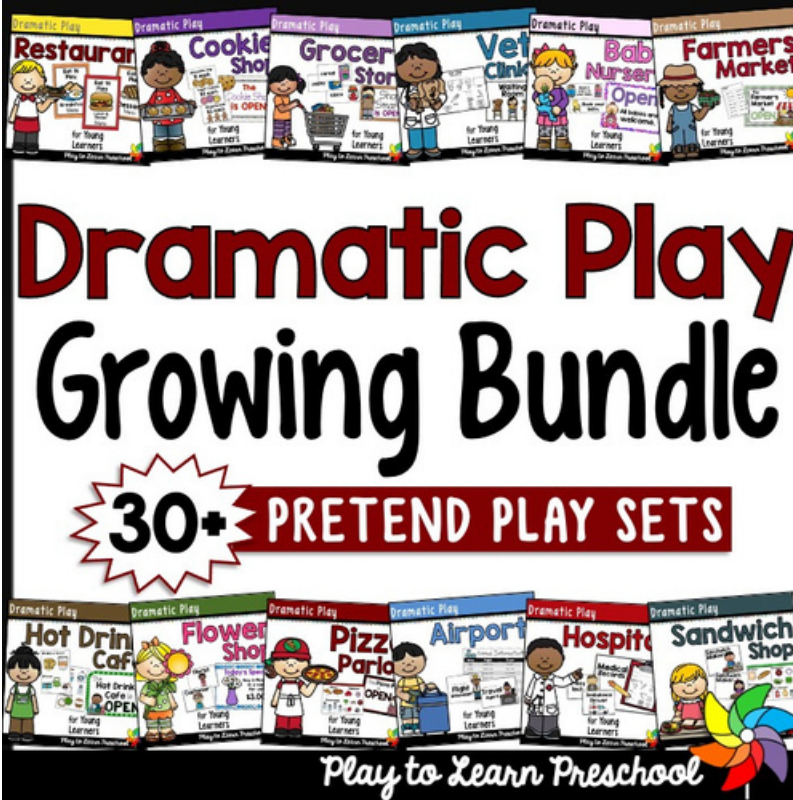

-Heather G.
