

Classroom Tested

This was the perfect resource to add to our dramatic play center. It had **everything we needed** to make our cookie shop successful!

Teacher Recommended

This is the **best thing** I have purchased on TPT! We had so much fun transforming the dramatic play area to a cookie shop, but even more fun playing with the children in the shop. They were really **engaged** and we were able to work in all kinds of math skills. We loved that kids who don't normally interact with other kids were **motivated** during this time.

Betsy Goes to the

Cookie Shop

The baker lets Betsy come back to the kitchen. She watches how the baker mixes all the ingredients to make cookie dough.

Student Approved

My students were **over the moon** when they arrived to school and saw the cookie shop. The materials are **just what I needed** to engage with their creativity.
