

Classroom Tested

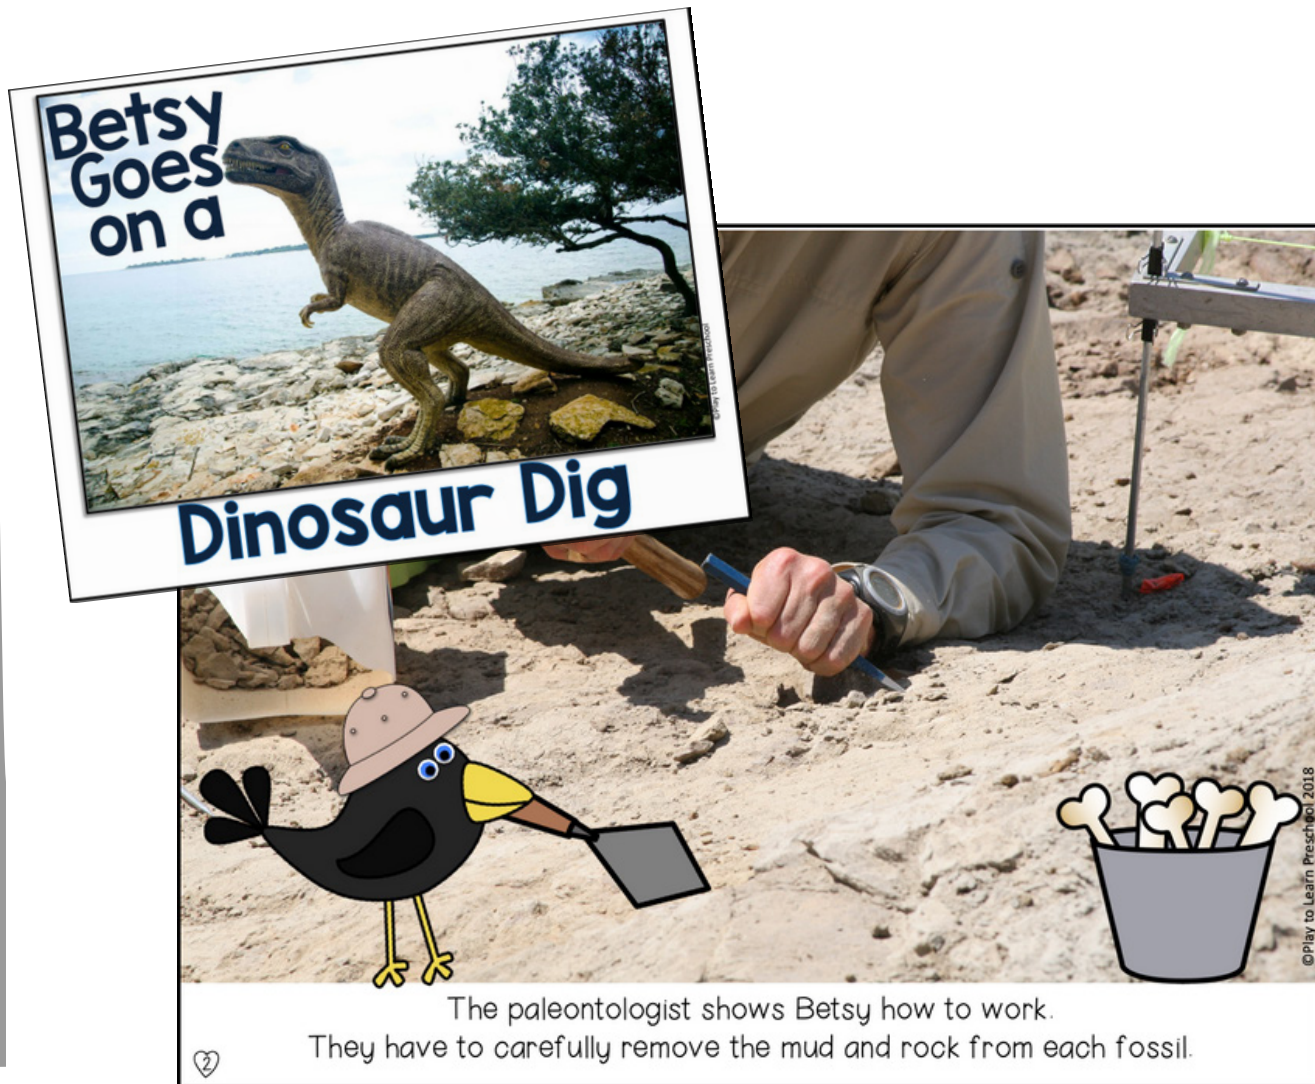

Perfect resource for our dino dig dramatic play area. I put the sensory bin there too with soil and fossils for the kids to excavate. These printables made the area look great and **added literacy**.

Teacher Recommended

My students absolutely **loved** using this for dramatic play during Dinosaur Week! They loved the book, field guide... they just loved the whole set up.
-Patricia H.

The paleontologist shows Betsy how to work. They have to carefully remove the mud and rock from each fossil.

Student Approved

My kids are really into dinosaurs this year. This was a great unit to spark their interest and they enjoyed being **paleontologists!**
