My students have **purposeful play**

daily. This is a great resource that I can rotate in and out of my play centers! It gets the kids reading and writing in a fun way and they don't even realize it!

Teacher Recommended

Such a cute idea!

My students loved playing and taking turns learning about each of the jobs and working in each of the areas. The **pictures were amazing** and the clip art adorable.

The dough goes through a rolling cutter and the shapes are put on a rack to go in the fryer.

Student Approved

My students loved the donut shop dramatic play! It was the **most popular** center when we had it. Great **play-based,** hands on learning.
