

Classroom Tested

My students loved the farmer's market center I created for them with this product. They were

so engaged

with it and the visual helped make clean up so much more smooth!

Betsy Visits a

Farmer's Market

A farmer's market is where local farmers sell their produce directly to shoppers, so Betsy knew she would find fresh veggies.

Student Approved

Oh my gosh!! this resource was a huge hit in my classroom. The children took their roles very seriously and were **so engaged**. While having tons of fun, they practice many skills and gained new ones. Absolutely love it, love it!
