

Classroom Tested

We introduced this dramatic play unit in October, for “Fire Prevention Month”, but of course it can be used any month. What a **fun way to play and learn** about fire prevention, dialing 9-1-1, and keeping our community safe!

Teacher Recommended

Every resource from Play to Learn Preschool has been **great** and this one doesn't disappoint.

I love **Betsy's book** that goes along with it.

Betsy Visits the

Fire Station

After Betsy and the children saw the firefighting gear, they looked at the shiny red fire trucks inside the bay, or garage.

Student Approved

I **love** everything about this unit. Very easy and **engaging** to use with my students. They especially loved dressing up their person like a fire fighter.
