

# Classroom Tested

Such a cute  
Dramatic Play unit!  
My students loved  
playing doctor, and  
the visuals were  
**perfect** for a  
variety of students  
with varying needs  
and abilities.  
-Alecia P.

# Teacher Recommended

This bundle gave my students lots of ideas and a **better understanding** of all the things that happen in the hospital as well as the people there.  
-Krystal C.

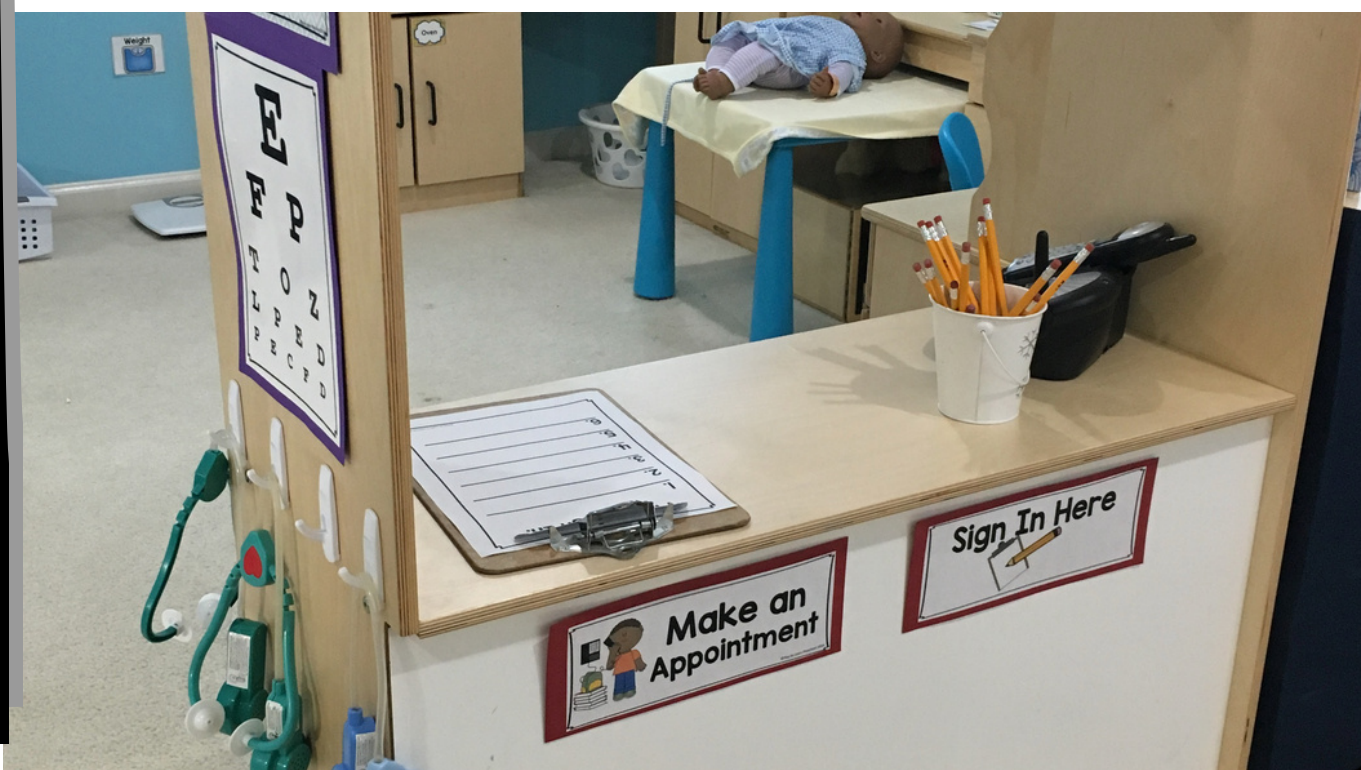

The nurse took Betsy to another room. He put a bandage on her wing and told her to rest.

# Student Approved

One of my children's **favorite** dramatic play centers of the year. They love pretending to be both the doctors as well as the moms and dads of the dolls. I love all of the **oral language** development that occurs.

-Lauren S.
