This was such a

great help

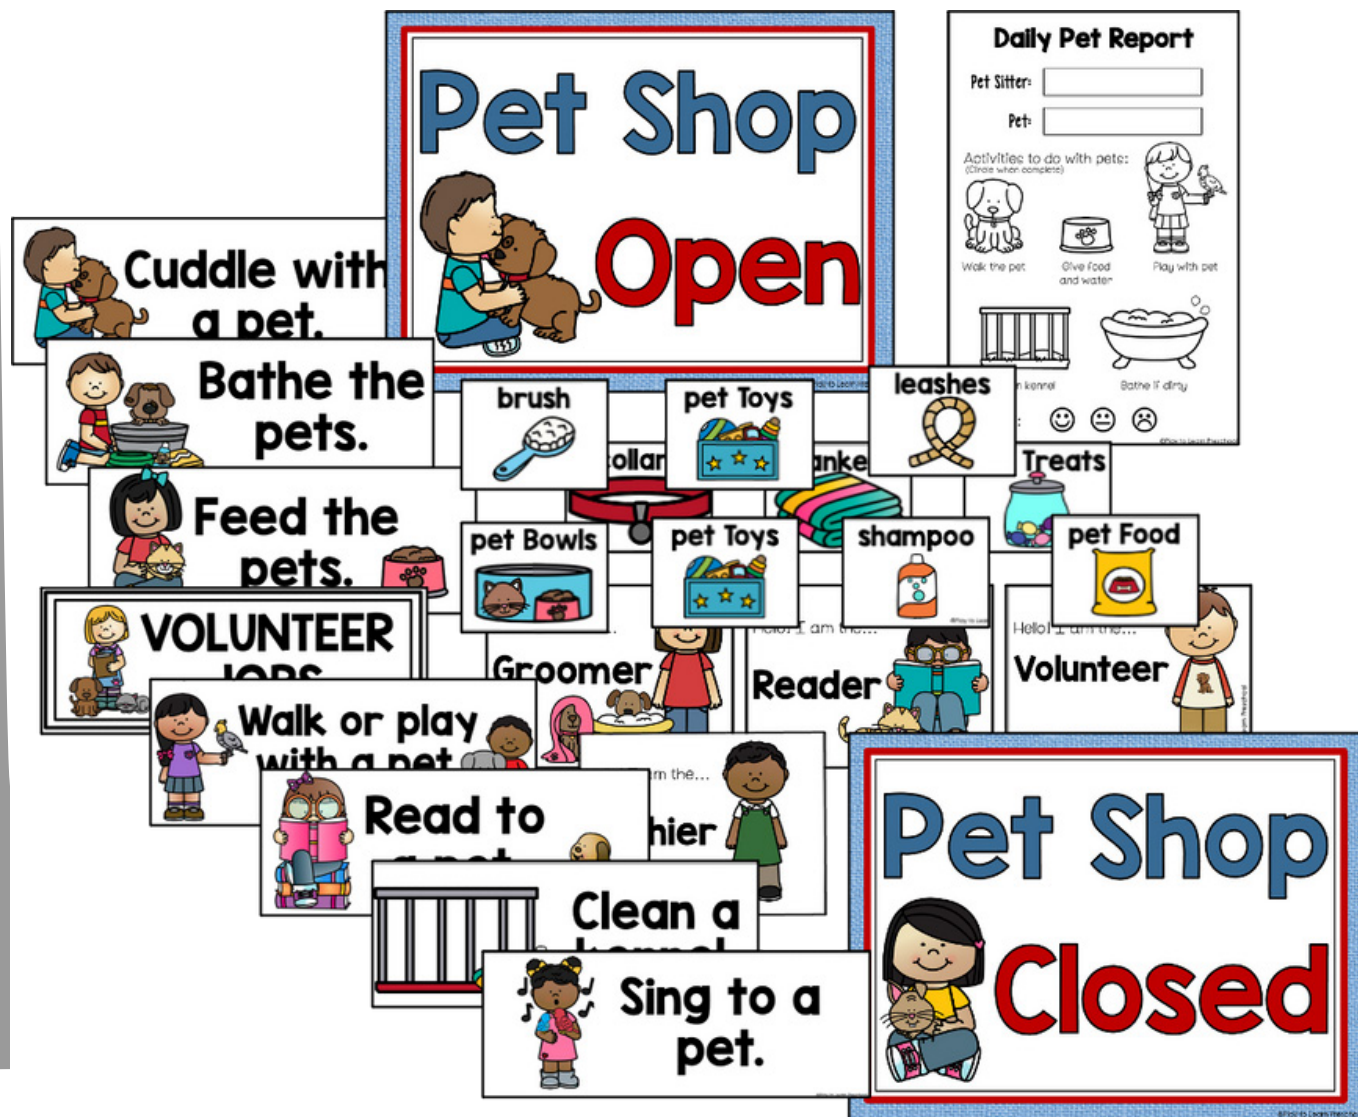

when setting up my

Lots of great signs

for easy clean up.

Teacher Recommended

The students love knowing where to put the material back because of pictures and the **engaging** writing material in each unit is perfect. The centers seems to last longer. **Best part** is the book at the end of the packet is great for introducing the centers.

The store clerk then showed Betsy the grooming station where pets come to get clean.

Student Approved

This dramatic play set helped my speech students learn more about the pet theme activities this month. They **enjoyed** using the visuals to guide our dramatic play and impose a little structure/framework for our sessions.
