This is the **perfect** restaurant dramatic play set. It comes with great labels and I love the little menus and order slips! It is definitely making our restaurant area more **engaging!**

Teacher Recommended

My students benefited from the **Betsy Book** to understand the ways of a restaurant and the means to operate a restaurant. **100% recommend** this DP to all teachers.
- Molly O.

Betsy sees that some of the waiters are setting the table. She watches them place the utensils and glasses next to the plates.

Student Approved

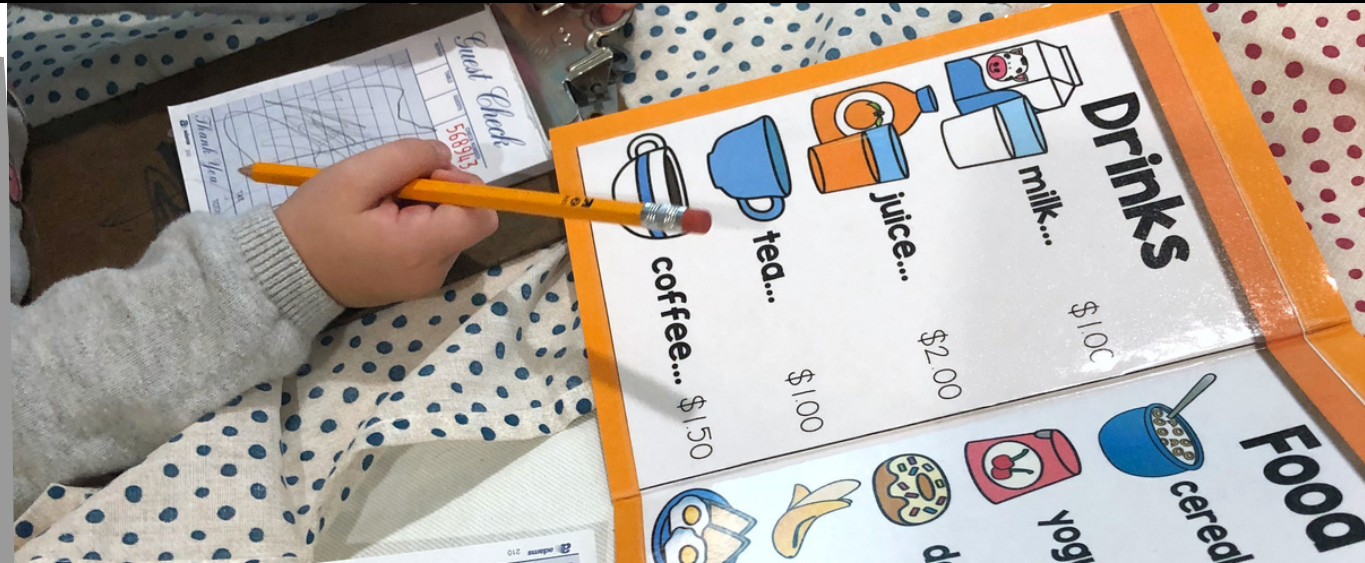

Very fun dramatic play resource!!

Students loved it!

I loved the fact that all the printables were included for easy set up for the center.
