EASY DIRECTIONS

EACH SET INCLUDES:

Directions

Sort the different foods, people, and accessories to the correct food place.

1 Print full food place pages. Mount to the bulletin board with staples. Add Velcro dots or pushpins to each picture

2 Print the sorting cards. Cut them apart and laminate as desired.

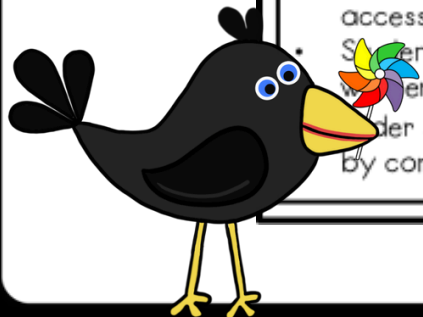

3 Attach Velcro to the back of each. Alternatively, punch a hole in the top of each picture. Attach a large paper clip or piece of string.

- There are 8 food place options: pizzeria, bakery, taco truck, pancake café, grocery store, ice cream parlor, drive thru, and donut shop. Pick the number of places to post based on the abilities of the students.
- Students identify the worker and accessories in each picture.
- Students identify the building and sort the worker and accessories to their building.
- Older students can extend their learning by completing a journal page.

Sample set up to show how it works.

Complete list of directions.

Includes recording sheets for practice.
