SAVE TIME

“

I love that this has so many options, and provides a way to do all of the names at one time. Makes it very easy to print and go. Also great for phonemic/phonological awareness and beginning phonics practice.

ENGAGING

“

These were a great way for my preschoolers to work on name recognition in a fun and engaging way. I liked how you could enter names on one sheet and everything would get filled in, easy to prep and use.

PROMOTE OWNERSHIP

“

I use at the beginning of circle time as a fun way to take class attendance. The students are always so proud to find their names and put their name card on the magnet wall. We change the songs out every two weeks and repeat through out the year if needed.

MULTIPLE OPPORTUNITIES TO LEARN

“

Best name resource I have gotten in a while! The students were always so excited to see what song we would do next. It helped so much with having the students generalize seeing their names on multiple different objects.
