Mother's Day Celebration
Join us for a special day!

We are excited to celebrate Mother's Day in our classroom! This is a special time for children to recognize and appreciate the important people in their lives who care for them. We know every family is unique, so children will be celebrating a special person who is meaningful to them.

Our celebration will take place on _____ at _____.

The children are excited to sing a few songs and spend some special time with you.

If you are unable to attend, your child is welcome to invite another special person.
